Hi Nancy.

If you could let me know when you folks contact Mr. Patterson, I would appreciate it. I would like to send a follow-up note to him since I had told him I would get back to him, just as a courtesy [even though he probably doesn't deserve it based on his accusations and rudeness]. I don't want to send it until you have reached out so as not to confuse. Thanks much, and good luck.

Also, I was thinking it might be good for you and me to touch base every now and then, just to try to keep in touch on what's going on. Perhaps I'll give you a call some time after Thanksgiving.

Take care - Dana

This is the second of two

Thanks Nancy and Region 9 for calling him. Since I had talked to him last week and indicated that I would follow up in some way, I appreciate you doing that. - Dana
